PHOTOGRAPHY: ANOUSH ABRAR AND AIMEE HOVING

The debate divides the Western world, but ultimately we all know that power showers and baths do not belong together. At least, we did, until maverick designer Ron Arad stepped in, pulling the plug on the controversy with the 'Rotator', a bathroom concept where the bath slowly turns to form a luxurious shower. Working with Italian bathroom maestro Teuco, Arad is confident his prototype may very soon be more than just a pipe dream. ★
