"When you see a really good performance,
it can change your life."

—Marina Abramović

Cooke, Julia, Tali Jaffe, and David Sokol. "Cultured 25." *Cultured*. Spring 2014.

Dutch designer **JORIS LAARMAN**'s wildly expansive oeuvre includes experimental furniture, museum installations and production processes. But more than anything else, Laarman's lab says it studies and shapes the future via cutting-edge technology. New Yorkers can take a glimpse into the future at Laarman's solo show at Friedman Benda, May 1-June 7. friedmanbenda.com
