

30 Emerging Artists to Watch During Frieze Week

ARTSY EDITORIAL
MAY 12TH, 2015 3:10 AM

Misha Kahn

**B. 1989, DULUTH, MINNESOTA. LIVES AND WORKS IN NEW YORK, NEW YORK
AVAILABLE AT: FRIEDMAN BENDA, BOOTH A12**

Kahn's kooky designs play with texture and material, in pieces that seem straight out of a trippy funhouse. The wildly colorful objects are made with resin, vinyl, glass, foil, and concrete. At Collective you'll find faux mirrors from his "Saturday Morning Series" and floor lamps dripping with acid-bright pigments.
