BLIPS

Australia, Lebanon, and England...

Those countries along with Ireland, the Netherlands, and the U.S. are represented in "**Women + Design: New Works**," an exhibition by seven contemporary female designers at the Dallas Museum of Art, October 28 to February 17, 2019. Pieces by Faye Toogood and Iris van Herpen are accompanied by those from emerging designers Carrie Dickens, Genevieve Howard, Katie Stout, whose signature use of color is on display in *Shelf*, and Najla El Zein, her sandstone *Seduction* made for the show.
